4 STEPS TO REGISTER USING www.Zone4.ca ;

To use the zone4 registration service open any web browser and type in www.zone4.ca and you will see two screens. On the right hand side you will see a screen with "Online Registration" at the top. Read through the events listed there to find the Caledonia Loppet.

- STEP 1** When you have located the Caledonia Loppet in the list of events under the online registration heading, click on it and you will see an electronic entry form similar to a manual entry form. First fill out your normal registration information, second check the category you want to participate in, and third check off the box that confirms you have read the event waiver. Click on the "continue" button to move to step 2.
- STEP 2** Read what you entered and confirm that it is correct. If you made an error go to the "back" arrow at the top of your page in the web browser to return to step 1 and make corrections. When your information is correct proceed to step 3 by clicking the "continue" button.
- STEP 3** On the secure payment page select the credit or debit card that you want to use and zone4 will automatically advance you to a screen to fill in your billing information.
- STEP 4** When your billing information is entered click on "make payment" and you will be registered. A receipt will be emailed to the email address you entered on the first screen.

If you have a problem registering on Zone4 call 250.564.1518
